Statement Structure

# Feedback on Maturity Levels

# Feedback on Model Characteristics

## New

- Management Tools
- Risk Management

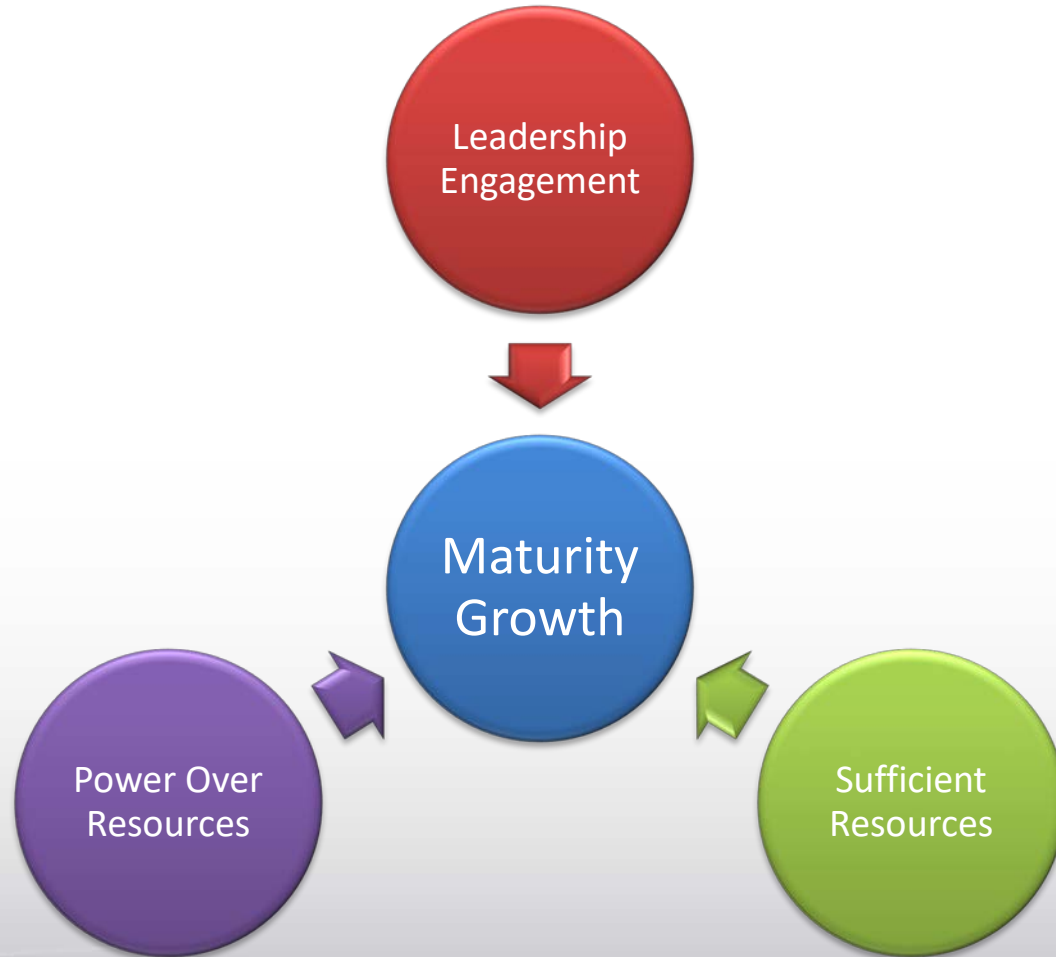

## Part of Original

- Governance Structure
- Board Members
- Portfolio Management Process
- Investment Portfolio
- Investment Review
- Status Reporting
- Project Documentation
- Strategic Planning
- Performance Management
- Strategic Priorities
- Staff Acceptance
- Staff Training

## Deleted

- Key Investments

# Insight on Maturity Growth

# Next Steps

- Revise questions and scoring for the scorecard
- Investigate use of maturity model and scorecard as an enterprise-level tool to evaluate portfolio management at the U.S. Census Bureau
- Evaluate maturity model and scorecard using portfolio management programs outside of the U.S. Census Bureau
